DATA TRANSFERS

Where GoTo transfers personal data in connection with its services, it does so in compliance with data protection regulations and utilizes the following frameworks to safeguard transfers, as applicable:

- Data Privacy Framework (or "DPF") Program
- Standard Contractual Clauses (or "Model Clauses")
- APEC Cross-Border Privacy Rules (or "APEC CBPR")
- APEC Privacy Recognition for Processors (or "APEC PRP")

More information on GoTo's privacy program, including transfer mechanisms, risk assessments, and supplemental measures may be found at https://www.goto.com/company/trust/privacy.

DATA PROCESSING ADDENDUM

GoTo offers a comprehensive global Data Processing Addendum ("DPA"), which is designed to meet the requirements of applicable data privacy laws and regulations. Please visit https://www.goto.com/company/legal to learn more.

TECHNICAL AND ORGANIZATIONAL MEASURES

GoTo's security and privacy practices are outlined in its Trust and Privacy Center at https://www.goto.com/company/trust/privacy, as well as in Technical and Organizational Measures ("TOMs") documentation which outlines encryption types used, data retention periods, certifications maintained, and other relevant measures implemented by GoTo. Product-specific TOMs may be found at https://www.goto.com/company/trust/resource-center.
